## WHY CHOOSE US

(Name of Company) Home Infusion believes in a comprehensive approach to patient care, aiming to provide quality outcomes at home. Home infusion therapy offers patients not only improved safety and flexibility, but it can also offer an improved quality of life. As a physician, you want the best for your patients. We do, too!

## HEALTHCARE PLANS ACCEPTED

We accept a wide array of insurance plans, including Medicare, Medicaid, and Commercial Plans depending on the service. We are here to advocate for your patient's benefits and advise on the most practical payment solutions. If a patient is out of network, we will do our best to help find an alternate pharmacy to address their therapy needs.

## SPECIALTY INFUSION

Our specialty experts have a deep understanding of specialty infusion. Our accredited and unique approach allows us to increase a patients' speed order-to-therapy, and deliver unrivaled clinically coordinated care. Our accomplished specialty infusion team is committed to providing access, education, and clinical support, in order to give specialty infusion patients and their caregivers peace of mind while on service.

**YOU PATIENT IS  
OUR #1 PRIORITY!**
