

# CAREPATH<sup>rx</sup><sup>TM</sup>

Specialty Pharmacy & Infusion Solutions

Develop the industry's most clinically advanced, profitable Specialty Pharmacy or Home Infusion program with CarepathRx.

Transform Your Pharmacy Operations  
Fully Operational in 6 Months or Less!

## Home Infusion Development & Support

More than 20 leading health systems and over 190 hospitals have established a sustainable, outpatient Home Infusion business that drives brand recognition and increases ROI.

Best-practice performance across all areas of operations:

- **Infusion Intake**  
Patient onboarding and insurance processing
- **Nursing Services**  
CarepathRx oversees home health services
- **Billing & Accounts**  
End-to-end revenue cycle management
- **Reporting & Analytics**  
Substantive clinical and financial data
- **Program Support**  
Increase referral capture rates Day 1

## Specialty Pharmacy Operations

Health systems large and small are challenged with the ever-evolving specialty pharmacy market. Let CarepathRx position your hospital or health system for the future!

Our purpose-build infrastructure includes:

- **Full Back-Office Services**
- **Revenue Cycle Management**
- **Access to 350+ Limited Distribution Drugs**
- **Compliance Assistance**
- **Pharmacy Accreditation**
- **Managed Care Contracting**
- **Proprietary Pharmacy Software**
- **Expand Commercial Insurance Coverage**

Start building a better pharmacy services program today with CarepathRx.
